Neighborhood news

SIDEWALKS — APRIL

Construction under way on
Windham Lane (county Safe Routes
to School), with more to come across
the neighborhood.

ENVIRONMENT — BYRON

Byron now leads the committee.

Focus: runoff from downtown
Wheaton down the Bucknell channel
into Evans Parkway Park; litter;
porcelain berry.

FLOODING

County flood-preparedness
handouts for households near Sligo
Creek were on the welcome table.

Wheaton Master Plan — Maren Hill, Montgomery Planning

A long-range vision for the area. It guides **public investment** (parks, bike lanes, Flash bus) and **private development** (what gets built, how tall), but builds nothing itself. The County Council approves it.

Feb 2026	Now – Dec 2026	Spring 2027	Fall 2027	2028
Work began	Listening phase — 2,000+ conversations so far. We are here.	Early recommendations back to the community	Detailed recommendations	Draft → Planning Board → County Council, with public testimony

Then: small-group tables, each with a Planning facilitator and note-taker. *Not recorded; Planning's notes are the record of what neighbors said.*
